

We, Amnesty International, welcome your releasing Du Bin - a journalist, photographer and documentary filmmaker, who was in detention for his human rights activities. At the same time, we call on you to drop all criminal proceedings against him and lift all restrictions on him.

We also urge you to take effective measures to guarantee freedom of expression, association and assembly in line with the International Covenant on Civil and Political Rights, which China has signed and declared an intention to ratify.

Thank you for your prompt attention to the above.

Sincerely yours,
