

I would like urge the Egyptian authorities to disclose immediately the whereabouts of all of Mohamed Morsi's team.

I call on you to immediately grant them access to their families, lawyers and doctors.

I also urge you to release Mohamed Morsi's aides unless they are charged promptly with recognizably criminal offences and tried before civilian courts, in full compliance with international fair trial guarantees.

I would like to ask you to ensure anybody charged and ordered detained is held in a lawful place of detention.

Lastly I call on you to protect all those deprived of their liberty from torture and other ill-treatment.

Yours respectfully,
