

I am writing to you over the case of Anas Barghouti. I'd like to note that if convicted and imprisoned Amnesty International would consider him a prisoner of conscience, detained solely for his work as a lawyer on behalf of prisoners and for the peaceful expression of his political views.

I ask you to drop all charges against Anas Barghouti.

I urge you to put an immediate end to harassment of Anas Barghouti and other human rights defenders in the Occupied Palestinian Territories.

Lastly I request you to immediately lift the travel ban imposed on Anas Barghouti.

Thank you very much for your attention.

Sincerely yours,
