

I am writing to ask you to immediately halt Behram Khan's execution.

Please allow me to remind you of Amnesty International's position that the death penalty is the ultimate cruel, inhumane and degrading punishment, and a violation of the right to life.

I urge the Pakistan government to establish an official moratorium on all executions in the country, including Behram Kahn's, as a first step towards abolition of the death penalty, in line with the growing global trend, and UN General Assembly resolutions 62/149 (2007), 63/168 (2008) and 65/206 (2010).

Lastly I request you to commute all existing death sentences.

Thank you very much for your attention.

Respectfully yours,
