

ナウ・アンド・ゼン

NOW AND THEN

“A documentary connecting the voices of the past and present.

Past injustices and current immigration issues are linked by discrimination that has yet to be resolved. The camera records the thoughts of people from various backgrounds.

Those featured include activists who continue to support refugees, individuals on provisional release, citizen groups and documentary filmmakers who carry on the testimonies of the Korean massacre, and researchers.”

Language : Japanese with English subtitles

Documentary runtime: 72 minutes + Q&A

FEATURED GUEST

Takashi Nishihara (director)
