

I am writing this letter to express my grave concern for Guo Feixiong who has been detained at the Guangzhou City Tianhe District Detention Centre, where he is at risk of torture and other ill-treatment in detention. I am a member of Amnesty International which considers Guo Feixiong a prisoner of conscience, who should be immediately and unconditionally released.

I urge the Chinese authorities to release Guo Feixiong immediately and unconditionally.

And I call on the Chinese authorities to ensure that Guo Feixiong is not tortured or otherwise ill-treated, and that he has regular access to his family and lawyers, and that he receives any medical attention he may require.

Yours respectfully,
