

I am writing to call on the authorities to charge Tajeldin Ahmed Arja with a recognizably criminal offence or release him without delay.

I call on the authorities to immediately reveal Tajeldin Ahmed Arja's location and to give him access to a lawyer of his choosing, to medical treatment and to his family.

Lastly, I urge the authorities to ensure that Tajeldin Ahmed Arja is not subjected to torture or any ill-treatment.

Your prompt attention on this matter would be highly appreciated.

Respectfully yours,
