

Your Excellency;

I am writing to express my grave concern on Iranian Kurdish woman Zeynab Jalalian who is serving a life sentence imposed after a grossly unfair trial . She is at risk of losing her eyesight in prison. The authorities have continued to deny her the specialized medical treatment she needs for a worsening eye condition, including urgent surgery.

I would like to urge the Iranian authorities to immediately provide Zeynab Jalalian with the specialized medical care she needs outside prison, including eye surgery, and protect her from further torture and other ill-treatment, including through the denial of adequate medical care .

They should implement the opinion of the UN Working Group on Arbitrary Detention, which calls for Zeynab Jalalian to be released immediately and accorded an enforceable right to compensation .

They are sincerely asked to order a prompt, independent and impartial investigation into her allegations of torture and other ill-treatment, bringing to justice anyone found responsible, including those with superior responsibility, in fair trials and without recourse to the death penalty.

Your attention on this matter would be highly appreciated .

Sincerely yours,
