

I am writing to ask you to cancel the demolition order on the homes of the Akari, Ja'abis, Hijazi and Abu Jamal families and refrain from issuing any new demolition orders.

I also urge you to stop immediately all punitive demolitions and the destruction of houses and other properties without absolute military necessity, as prescribed by international humanitarian law.

Lastly I request you to establish a judicial commission of inquiry to investigate the cases of the al-Shaludi family home and the demolitions carried out in August 2014 and ensure the families receive full reparation.

Thank you very much for your attention.

Sincerely yours,
