

Your Excellency;

I call on you to release Atena Daemi immediately and unconditionally, as she is a prisoner of conscience targeted solely for peacefully exercising her rights to freedom of expression, association and assembly. I call on you to ensure that she has access to a qualified health professional who can provide health care in compliance with medical ethics, including the principles of confidentiality, autonomy and informed consent.

I call on you to quash the convictions and sentences of Hanieh and Ensieh Daemi, which were issued after an unfair trial.

And I call you to investigate Atena Daemi's allegations of torture or other ill-treatment, including being subjected to violence during her November 2016 arrest, and ensure that those responsible are brought to justice in fair trials.

Yours respectfully,
