

I am writing this letter to express my grave concern on Leonard Peltier who has been imprisoned for over 40 years despite concerns over the fairness of his trial. His attorneys have filed a clemency petition with the Obama administration.

I would like to urge the Obama administration to grant Leonard Peltier's application for clemency on humanitarian grounds and in the interests of justice.

The administration is also asked to give him an access to appropriate medical treatment in accordance with his wishes and is moved to a facility that can address his medical needs as a matter of urgency until he is granted release.

Your attention would be highly appreciated.

Sincerely,
