

I am writing this to express my grave concern for Jiang Tianyong who has been detained under residential surveillance in a designated location for over six months and been formally arrested for “subverting state power”.

Could you immediately release Jiang Tianyong as he has been charged solely for peacefully exercising his human rights?

I should also urge the authorities to ensure that while detained Jiang Tianyong is protected from torture and other ill-treatment, and that he is allowed access to his family, a lawyer of his choice and adequate medical care.

Sincerely,
