

Your Excellency;

I am writing to express my grave concern on Mohamed Hassan Alim Shareef who was deported from Egypt to Sudan and is currently detained at the NISS headquarters in Khartoum North. He is a prisoner of conscience, held solely for peacefully exercising his right to freedom of expression.

I call on Sudanese authorities to release Mohamed Hassan Alim Shareef immediately and unconditionally.

I urge you to ensure that Mohamed Hassan Alim Shareef is granted regular access to his family, medical treatment and a lawyer of his choice without delay.

I urge you to ensure that he is protected from torture and other ill-treatment.

Yours respectfully,
